

Design A Flag

Read the information about the flag of your chosen country.
Your task is to design a flag for your school, your town or your local area.

Think about:

- what colours you will use and why
- what pictures or designs to include - these should represent something important from your school or area
- keep your design clear, bold and simple

I used these colours in my flag _____

The colours represent _____

The symbols I chose to use were _____

I chose these because _____
